THE TOP PRACTICES MARKETING AND MANAGEMENT SUMMIT

THE HOME FOR PRIVATE PRACTICE

THE BULLETPROOF PRACTICE

A 6-DAY VIRTUAL CONFERENCE ONLINE: OCTOBER 15–20

Podiatry practices have faced enormous challenges this year. And they have proven that podiatry practices are strong and resilient. The truth is the future of private practice is still exceedingly bright.

SPECIAL KEYNOTE PRESENTATION

DR. CRAIG THOMAJAN

Founder, Austin Foot and Ankle Specialists

How do we prepare ourselves for a Bulletproof Practice in the time of COVID and beyond. "This journey isn't about finish lines, It's about milestones."

SPECIAL PRICING DISCOUNTS
FOR AAPM & AENS MEMBERS

The Top Practices Summit is held only once a year.

What do you want your practice to be like in 2021, 2025, and beyond? (SEE INSIDE)

THE FIRST VIRTUAL TOP PRACTICES SUMMIT IN HISTORY WILL ALSO BE, NOT ONLY ONE OF THE BEST SUMMITS YOU'VE EVER ATTENDED FROM TOP PRACTICES, IT WILL BE ONE OF THE BEST VIRTUAL CONFERENCES YOU'VE EVER ATTENDED.

The Top Practices Summit will be a virtual event this year (like so many others) expressly for the purpose of keeping us all safe and healthy. This has created an opportunity for your entire practice (your entire staff) to experience and learn at the Summit, no matter where you practice in the United States OR THE WORLD.

The Summit will be held over a **6-day period from October 15 through October 20**. One thing we have all learned about Zoom conferences is that sitting in front of a computer for endless hours can be unpleasant and even counter-productive. The Summit will be composed entirely of presentations that are designed to give you the same high quality information, inspiration, motivation, strategies, and ideas in a format you can enjoy and which enhances your learning.

All sessions will be recorded and archived online for a full 30 days after the event for you and your staff to download, review, and return to again and again. This world class event, complete with a virtual exhibit hall, and specific vendor times and opportunities will be unlike any other zoom conference you have attended so far. That's a promise.

The Summit and involvement with Top Practices have been the catalysts to transform my practice to unbelievable heights. The Summit is the **annual mindset turbocharger** I need, where I calibrate my compass and prepare for the new year.

PODIATRY PROSPERITY

THE HOME FOR PRIVATE PRACTICE THE BULLETPROOF PRACTICE

The world changed this year. We changed this year. We are all moving forward together and if we so choose we will be stronger, wiser, more resilient, and better prepared. We have heard for years that we need to be prepared for disaster. At any time, depending on where you live, an earthquake, fire, flood, tornado, and hurricane, or global pandemic could hit. We nodded our heads and agreed, but unless you practice in New Orleans during Katrina, for example, it didn't really hit home.

Then a Category 5 Hurricane named COVID-19 hit the entire world at the same time. We've learned so much since then and continue to learn. One lesson is this:

HAVING A MARKETING AND COMMUNICATION PLAN THAT ENABLES YOU TO EASILY COMMUNICATE WITH YOUR PATIENTS AND YOUR COMMUNITY, HAVING A MANAGEMENT PLAN THAT ALLOWS YOU TO PRACTICE AS EFFICIENTLY AND PROFITABLY AS POSSIBLE, AND HAVING A DISASTER PREPAREDNESS PLAN IS NO LONGER "NICE TO HAVE", IT IS NOW "MUST HAVE."

We all understand this now. And we know we need to take it seriously and prepare now.

It is unlikely that we will face something like this again— ALL OF US — in our lifetimes. These events blessedly don't come very frequently. But we might. And certainly, at any given time, earthquakes, fires, floods, tornadoes, and hurricanes, audits, embezzlements, and more will continue to come.

WE NEED TO BE READY.

We need marketing systems that enable us to immediately react and respond in crisis. Those same systems must be operating daily if you are to be as productive and profitable as you can be in private practice.

We need to manage our practices efficiently. Highly efficiently so that we are able to have war chests of savings, plans for emergencies, and staff who “get it.” We need to run our practices so that we don’t work in the evenings catching up and we spend our weekends with our loved ones.

A silver lining of the COVID-19 Quarantine has been a reaffirmation of the simple joy of being with our families and friends. How simple things in our lives are more important than our fancy purchases. Your weekends should no longer be “negotiable.” Take them back and take them back now.

One Top Practices member wrote, in early April *“One big take away that I have from this so far is that the time I have been spending with my children has been worth it. Some days are very frustrating but I have noticed a change in my daughters attitude, she is excited that I am going to be home with her. This virus is really causing me to rethink the hours that I do at the office compared to spending it with my loved ones. I need (the practice to be more efficient) with a higher dollar per hour so I can spend more time with family.”*

The result of great marketing and excellent management is more high-quality time with your family and more financial freedom to live life on your terms.

**“YOUR PRACTICE SHOULD SERVE YOU
AND FUND YOUR IDEAL LIFESTYLE.
YOUR CAREER SHOULD PROVIDE FOR
THE EMOTIONAL, PHYSICAL, AND FINANCIAL SECURITY
OF YOURSELF AND YOUR LOVED ONES.”**

– REM JACKSON

This year, the Top Practices Summit is specifically redesigned to give you the tools, insights, and connections you **MUST HAVE** so that your practice grows as healthy and big as you can imagine it. And as your practice grows, your problems don't. This is the mission of Top Practices every day, but this Summit is different. It is a chance for you to get the right strategies, and **STILL** connect with like-minded people who are excited about the career they've chosen and are prepared to make it a home run for them, their staff, their patients, and their families.

Marketing and managing your business should be fun. It should always be profitable. If you understand what good marketing and management look like and if you have the mindset you need to persist, you will have more fun, make more money, and find more freedom than you ever dreamed your profession could bring to you.

**YOU CAN INCREASE YOUR PROFITS AND ENJOYMENT OF
YOUR PRACTICE WITHOUT INCREASING YOUR PROBLEMS.**

**AND THIS IS WHY—MORE THAN EVER—YOU MUST ATTEND
THE TOP PRACTICES VIRTUAL SUMMIT THIS YEAR!**

THIS IS THE FUTURE OF PODIATRY

IMAGINE THIS... Your practice is filled EVERY DAY with exactly the kind of patients you want to see, you can build your practice to be so profitable that you just won't care what the government or insurance companies or hospitals do.

There is no guesswork about what you can do to build a strong, profitable practice. We know the system. You will learn it at the Summit. If you are an Advanced Top Practices Member and Marketer – this is the year you must be at the conference because we will be showing you the top ideas working in Top Practice members' offices around the globe.

If you are a total beginner and are wondering if something like this could work in your practice despite the problems you are facing, then this meeting is for you. We start at the beginning and leave no one behind.

Our top practices are growing 10%, 20%, 30%, and more, even in these difficult times. We don't promise that it is simple. We never say it's a "no-brainer." But we do promise that if you work the plan with us, you will achieve the results you desire.

Our goal is that you are number one in your market. It takes time and commitment, but we can tell you it is so worth it.

There is no other vehicle for investment available to you that compares to your practice. The returns your practice should and will bring to you and your family are significantly greater than any other way to build equity and retirement income **IF you are managing your practice efficiently and marketing it effectively.** The Top Practices Summit is your opportunity to do exactly that. [Join us online October 15, 16, 17, 18, 19, and 20.](#) Join me, our team of experts, and several hundred of your colleagues who are already succeeding and find your own plan for profits, reduced stress, and more fun. (Remember fun?)

FEATURED PRESENTATION DR. CRAIG THOMAJAN

7:05 PM – 8:30 PM

HOW DO WE PREPARE OURSELVES FOR A BULLETPROOF PRACTICE IN THE TIME OF COVID AND BEYOND?

"This journey isn't about finish lines, it's about milestones."

In times like those we are living in, we can look to ourselves for the tools, strategies, ideas, inspiration, and encouragement to not only persevere, but to grow with courage and fortitude. To truly "bulletproof" our practices and by extension ourselves, we need only to leverage ideas from others, implement those ideas, and expand them. In this presentation we will examine how all of us can not only survive, but thrive in the next months and years...together.

THE SUMMIT CONTINUES ON SATURDAY, OCTOBER 17TH • 11:05 AM TO 1:00 PM

SATURDAY 11:05 AM – 1:00 PM EDT

CHOOSE THE WORKSHOP YOU WISH TO ATTEND

All workshops will be recorded and available online for 30 days after the summit ends on Tuesday.

#1 THE PRACTICE MARKETING WORKSHOP

Led by Rem and the best Top Practices Marketers

Rem and his doctors share how they are marketing in the time of COVID and beyond. Practices continue to grow and thrive and marketing correctly is a key point of leverage. Learn as these practices share the very best ideas and strategies you can use in your practice immediately to build it strong and increase its resilience.

#2 PRACTICE MANAGEMENT WORKSHOP

Led by Tina Del Buono

How do spouses/significant others manage their practices together in a way that enhances and improves the practice and the relationship? This is a very common practice in podiatry which often works very well, but is not without its challenges. Learn how your colleagues have met this challenge and found the work/life balance that leads to a much better practice and relationship.

#3 UNDERSTANDING AND IMPACTING YOUR FINANCIALS

Led by Dr. Peter Wishnie and Dr. John Guiliana

Understanding your financials and what they mean can drastically improve your bottom line and ease your management burdens. It's critical that you develop this fundamental business skill and it is not as difficult to learn as commonly believed. What do top docs look at every month and what do they do with this essential information and intelligence. Two podiatry management experts share how you can use these new skills to improve your ability to manage, influence, and develop your practice.

SATURDAY 2:35 PM – 4:30 PM EDT

CHOOSE THE WORKSHOP YOU WISH TO ATTEND

All workshops will be recorded and available online for 30 days after the summit ends on Tuesday.

#1 UNDERSTANDING WHAT GOOD ONLINE MARKETING IS AND IS NOT

Led by Tom Foster and his team of experts and doctors

Is it possible for a podiatrist to be able to know for themselves what good online professional practice marketing actually is without having to listen to the purposely complicated gibberish and jargon digital marketing companies spew? Is there a way to just know what your online marketing is doing? The answer blessedly is yes. Search Engine Optimization (SEO) is not rocket science and you can know how to tell the difference between good online marketing and “smoke and mirrors.” The next time a digital firm calls you to tell you they checked you out online and you’re a mess you will be armed with the information you need.

#2 SUPERSTAR ASSOCIATE DOCTORS

Led by Dr. Peter Wishnie

Dr. Wishnie teaches you how he talks to, supports, leads, and coaches his superstar associate doctors to ever better levels of patient care and profitability. Everyone wants to do well, but we are often not on the same page. Learn how you can make an impact and work together much better.

#3 BETWEEN A ROCK AND A HARD PLACE

Led by Tina Del Buono

How can office managers and other lead managers can find balance and common ground in supporting their employers, their associate doctors, their staff, their patients and their own families. There is hope and there is a way. In this session you will learn how you can improve (significantly) the impact you have on your practice and not take your work home with you when you leave for the day.

THE SUMMIT CONTINUES ON SUNDAY, OCTOBER 18TH • 11:05 AM TO 5:00 PM

SUNDAY 11:05 AM – 1:30 PM EDT

All workshops will be recorded and available online for 30 days after the summit ends on Tuesday.

#1 THE BULLETPROOF TOP PRACTICES MILLION DOLLAR WORKSHOP PART 1

Led by Rem Jackson, Dr. Peter Wishnie, Dr. John Guiliana, and John Leardi Esq.

YOUR BIG PRACTICE GOAL MAY BE ONE MILLION DOLLARS IN COLLECTIONS IN ONE YEAR, OR YOU MIGHT, INSTEAD, HAVE A GOAL OF PERSONALLY EARNING ONE MILLION DOLLARS IN ONE YEAR. Regardless of your personal circumstances everyone has a goal

of achieving balance between their work and their personal lives. The single focus of this workshop is to give you the insights, strategies, and tools you must have to achieve your top goals. Expert guides in marketing, management, financial controls, and leadership will enable you to find your launch codes and lift your own version of a million-dollar practice. If you've ever wondered:

- How do practices generate \$900/hour or more?
- How do you get your per visit revenue to increase by \$50 or more?
- How do you get and maintain the perfect mix of excellent A-Team staff members?
- Do I need another office or associate doctor now?
- How do you get your costs down and under control?

Then this is the Summit you must attend.

#2 THE PROFESSIONAL PLAN PLAYBOOK PODIATRY MARKETERS MUST USE TO WIN ONLINE

PART 1

Led by Tom Foster and his team of expert marketers and doctors

In business, the 80/20 holds true in everything. 20% of what you do creates 80% of your results. The trick is to know what that 20% is. In this session, an expert marketing team will present in a step-by-step workshop what you need to be doing every day, week, month, quarter and year online to outperform everyone, fill your office with the patients you want and need to see, and still make it home for dinner.

#3 HOW TO RECRUIT, HIRE, TRAIN, RETRAIN, AND, IF NEED BE, FIRE STAFF MEMBERS

Led by Tina Del Buono

The most important ingredient in excellent practice management, after you doctor, is your well-trained A-Team staff. In this workshop Tina Del Buono teaches you how to find, hire, train, retrain, and if it is needed, fire staff members. You can't have an excellent practice without the right team. Learn how to finally get this done right.

Rem and his own A-Team of experts show you how to take the next step, keep going no matter what the world sends your way, and get your practice on course to become the practice you have always known it could be. That's a promise.

I Guarantee It.

– REM JACKSON

HERE IS MY PERSONAL GUARANTEE FOR THE TOP PRACTICES MARKETING AND MANAGEMENT SUMMIT

If at any time, during the summit on OCTOBER 15, 16, 17, 18, 19, and 20 you feel that you came to the wrong place or we are not addressing the issues we said we would in this letter, you may request a full refund of your seminar registration fee – no questions asked – no small print*

*STILL NO SMALL PRINT.

"Successful people do what unsuccessful people
are not willing to do. Don't wish it were easier;
wish you were better."

JIM ROHN

"But Rem, It's Different for Me."

If you are thinking that your circumstances are different than others, and so special that what we do couldn't work in your area or in your practice, **think again**. Every practice needs patients, and all patients are people with problems. We know how to find them and bring them to your door. We do this in Australia, Canada, and all across the U.S.

One of the biggest barriers we have to succeeding in our professions is time. It moves by so quickly and, in spite of our best intentions, we don't get many positive changes implemented and we continue to drift where we are. We do this because we aren't in a crisis situation. We didn't have the "heart attack" moment. But we are just as stuck and just as in trouble as we would be if we were having a heart attack. Over time, we continue to slip further and further behind. This Summit is designed to break that pattern and **GIVE YOU EVERYTHING YOU NEED TO ENSURE YOUR FUTURE SUCCESS.**

Most of us can reduce our goals to this simple goal: "The emotional and financial stability and security of our family and loved ones." To be sure, there are other goals, but this goal is at the core of all of our efforts. Despite everything you hear, there is a period of expansion and growth coming for medical practices that may be viewed as the Second Golden Age. Do you have the plan you need to succeed in the next three, five, or ten years? Do you have YOUR Plan?

IT'S NOT JUST WORDS.

INCLUDE YOUR STAFF WITH YOU!

You can't do this all by yourself – you need your team to work with you to do this. **Those doctors that include their key staff members in the Summit always experience the most gain after, because their staff already understands the plan, has bought into the plan, and knows their part in making the plan a reality.**

This year there is no excuse not to. **YOUR ENTIRE STAFF CAN PARTICIPATE AND ACCESS ALL THE MATERIALS AFTER THE SUMMIT FOR ONE SMALL ADDITIONAL REGISTRATION FEE.** No hotels, airfare, or meals this year. Just learning and more learning.

WHAT IS A TOP PRACTICE?

Every practice owner has their own personal definition of what a Top Practice is, but here is what is at the core of every definition of a Top Practice: "A professional practice that is managed and marketed using systems that serve the owners, instead of the owners feeling like they are serving the practice." A Top Practice allows a doctor to practice medicine at the highest level because he or she isn't distracted by the constant needs of running the business. A Top Practice performs at such high levels automatically that the owner is able to focus his or her attention on their personal lives and achieve a significant and dramatic increase in their own happiness. A Top Practice enables its owners to live his or her life according to their terms and theirs alone – no matter what.

Doctors from all over the continent have had their breakthrough years in 2019. 2020 Has challenged all of us to our cores. Top Practices accept this and move forward in this new environment without complaining. We will come out of this and if we approach this correctly we will be stronger than we were before we faced this crisis together.

**"The way to get started is to quit
talking and **begin doing.**"**

WALT DISNEY

THE OFFICIAL TOP PRACTICES WARNING

This Summit will be a "whine-free" zone. Do not attend if you're not ready to attack your practice and transform it once and for all. There is only room for serious, positive people at this event!

At the Top Practices Marketing and Management Summit, you'll learn from other winners who are thinking very big and you'll recalibrate your own thinking. You'll be amazed at how quickly you can change your current circumstances.

! WARNING ! WARNING ! WARNING ! WARNING

IS THIS THE **RIGHT SEMINAR** FOR YOU AND YOUR PRACTICE?

The best way to answer this is to ask yourself if you are truly serious about making a positive change at your practice. Not many of us actually are. We say we are, but when the opportunity comes to really change, we just postpone it until later.

- If you are already doing well, but want to truly take your practice to the next level...
- If you are tired of being frustrated with your current efforts to grow and strengthen your practice...
- If you've tried a lot of things, yet nothing seems to really work...
- If you want all the information you need to implement a marketing plan that makes sense and generates a clear and quantifiable return on your investment...
- If you want to instill a culture of growth and high quality "customer service" in your office staff...
- If you want to develop a professional plan that will enable you to clearly identify your goals and then focus your full attention on achieving them...
- If you want to ensure you have a bulletproof practice and can withstand whatever comes your way
- If you are on the way to implementing some of the above, but want to meet with a group of winners and take the time to prepare you and your staff for a **BREAKTHROUGH YEAR** in 2021...

THEN THIS IS A MEETING YOU SHOULD NOT MISS!

WHAT THIS SUMMIT IS NOT:

This summit will **NOT BE THEORETICAL**. No one will tell you what you "should" do to be successful at this seminar. This seminar will not skim the surface of some "nice ideas" someone just read about. At this seminar, **WE WILL WORK** to create your 2021 plan for **A BREAKTHROUGH YEAR**. At this seminar, **WE WILL WORK** and you will create a specific and detailed plan to grow your practice, develop your staff, and manage your business. At this seminar, **YOU WILL KNOW** how to put the systems into place so you can accomplish your goals and objectives.

THE BOTTOM LINE

YOUR PRACTICE IS YOUR LARGEST AND MOST LUCRATIVE INVESTMENT.

It is the vehicle through which you achieve all of your goals – professional and personal. **It is time to slow down so that you can speed up.** It is time to focus on the marketing and management systems you need to put into place to make 2021 YOUR BEST YEAR EVER – the most rewarding and profitable year of growth that your practice has ever had. It can be done.

Dozens of doctors JUST LIKE YOU are doing it right now, and you can too!

YOUR INCOME TENDS TO BE THE AVERAGE INCOME OF THE FIVE PEOPLE YOU HANG-OUT WITH THE MOST.

Surround yourself with winners who are as focused and committed to building the practice they want, not just accepting the patients that walk in the door.

“The Summit changed my life. Period. I got **my
roadmap to success and I’m not looking back!**

There is simply nothing more important to your success than working together with other highly-successful doctors (and their teams) who are growing their practices in double-digits. We only do this once a year and we may never do a virtual summit again, so please does not miss this opportunity to learn from even more from the experts and doctors you are learning from on the Top Practices Mastermind Group calls and webinars.

TO THE DOCTORS WHO ARE NOT IN TOP PRACTICES

There is no better time than right now to plug into the ideas, people, and strategies that can solve most of the challenges you are facing. Building your practice and managing it successfully is not an easy thing to do, but when you get it right – EVERYTHING else is easier – EVERYTHING.
